Offg *Inspector General of Education in Mysore*

K R Srinivasiengar Esq , M A ,
Offg Secretary to the Government of His Highness

I have the honour to inform you that at present there is a Kannada Lower Secondary School held in a rented building in the Chamarajapet Extension of the Mysore City but the inhabitants have been petitioning for an English Lower Secondary School On investigation the Circle Inspector has reported in his letter No 3147/694 of the 18th November 1912 that the need is real and on the occasion of my visit to Mysore in connection with the Dasaera I satisfied myself that there was scope for a new English Lower Secondary School without prejudice to any of the existing institutions In the Extensions of Lakshmipuram and Krishna Murtipuram are to be found the sons of a large number of officials and others who stand in need of facilities for English education It is desirable therefore to open an Anglo-Vernacular School to meet the requirements of the residents of the three Extensions by converting the present Taluk Kannada School in Kannegowdan Koppal into an Anglo-Vernacular School It is reported that this arrangement will not interfere with the strength of the Mari Mallappa's School and the Hardwicke School and that about 100 boys will join the English classes when opened

The
